About Us **News** Events

Fieldbus Foundation Marketing Society Singapore

Welcome to the Singapore Pages

Welcome to the section of the Fieldbus Foundation website that is dedicated to the news, activities and events within Singapore. Use the tabs above to access the latest news and events programme in the region.

Established in 1997, the Fieldbus Foundation Marketing Society Singapore (FFMSS) actively supports both existing and prospective implementers of Foundation technology through its programme of events specifically tailored for the end user and engineering contractor - including end user seminars, road shows, participation at trade shows and exhibitions.

Place of business

Place of business of the Society is:

Reliance Industries Executive To Deliver Keynote Address At Fieldbus Foundation General Assembly

Fieldbus Foundation To Hold 2010 General Assembly In Houston, Texas

Look for this Seminar

The screenshot shows a web browser window with the URL http://www.fieldbus.org/index.php?option=com_content&task=blo. The page is for the Singapore region, with navigation links for Americas, EMEA, Asia Pacific, and Oceania. A banner for Singapore includes a globe and the Singapore flag, with sub-links for About Us, News, and Events. The main content area features an article titled "Control Engineering Asia publishes article on Fieldbus Foundation" with a sub-headline "Fieldbus Foundation hold seminar in Vietnam". The article text describes a seminar held in Ho Chi Minh City, Vietnam, on 18.03.2010, attended by approximately 110 people. A red arrow points from the URL in the article text to the highlighted seminar announcement box. The right sidebar contains a "Site Search" box and a "News at a Glance" section with tabs for News, Events, and Training. The "News" tab is active, showing a "Global News" section with two headlines: "Reliance Industries Executive To Deliver Keynote Address At Fieldbus Foundation General Assembly" and "Fieldbus Foundation To Hold 2010 General Assembly In Houston, Texas".

Fieldbus Foundation hold seminar in Vietnam

The Fieldbus Foundation conducted a seminar in Ho Chi Minh City, Vietnam on 18.03.2010. The Foundation received an overwhelming response, and approximately 110 persons attended the full-day seminar filled with presentations and live demonstrations from the sponsors ABB, Emerson Process Management, Honeywell, MTL Instruments, Pepperl+Fuchs, Rockwell Automation, Smar, Stahl, and Yokogawa. All sponsor companies, including Invensys, Softing, Turck and Yamatake who unfortunately could not participate this time, would like to thank the audience for their attention and interaction.

The presentation slides are now available online:
